## SLS ELECTRONICS

SLS Electronics is a global procurement organization and independent distributor of electronic components. We provide professional and supply chain solutions to OEMs and contract manufacturers worldwide.

- ⊕ Our specialty is locating hard-to-find, obsolete, end-of-life (EOL) and highly allocated components with long lead times.
- ⊕ SLS Electronics, is your full-service supplier
- ⊕ We support customers throughout the complete supply chain lifecycle
- ⊕ We have 36 years experience in the semiconductor market.

## SMOOTH PROCURMENT SERVICES

Securing the procurement of the right products and solutions can be a daunting task and can result in downtime, lost productivity and variation in product quality, among other challenges.

From procurement to support, working with SLS Electronics our customers achieve positive business outcomes including; effective response and remediation of emergency situations, mitigation of long-lead times and product shortages, and an ongoing commitment to provide personalized attention - regardless of your situation.

We offer products and solutions that cover the breadth of your supply chain needs – from sourcing to support.

- ⊕ **A strong Partner at your side**
- ⊕ **Purchasing power**
- ⊕ **Payment options**

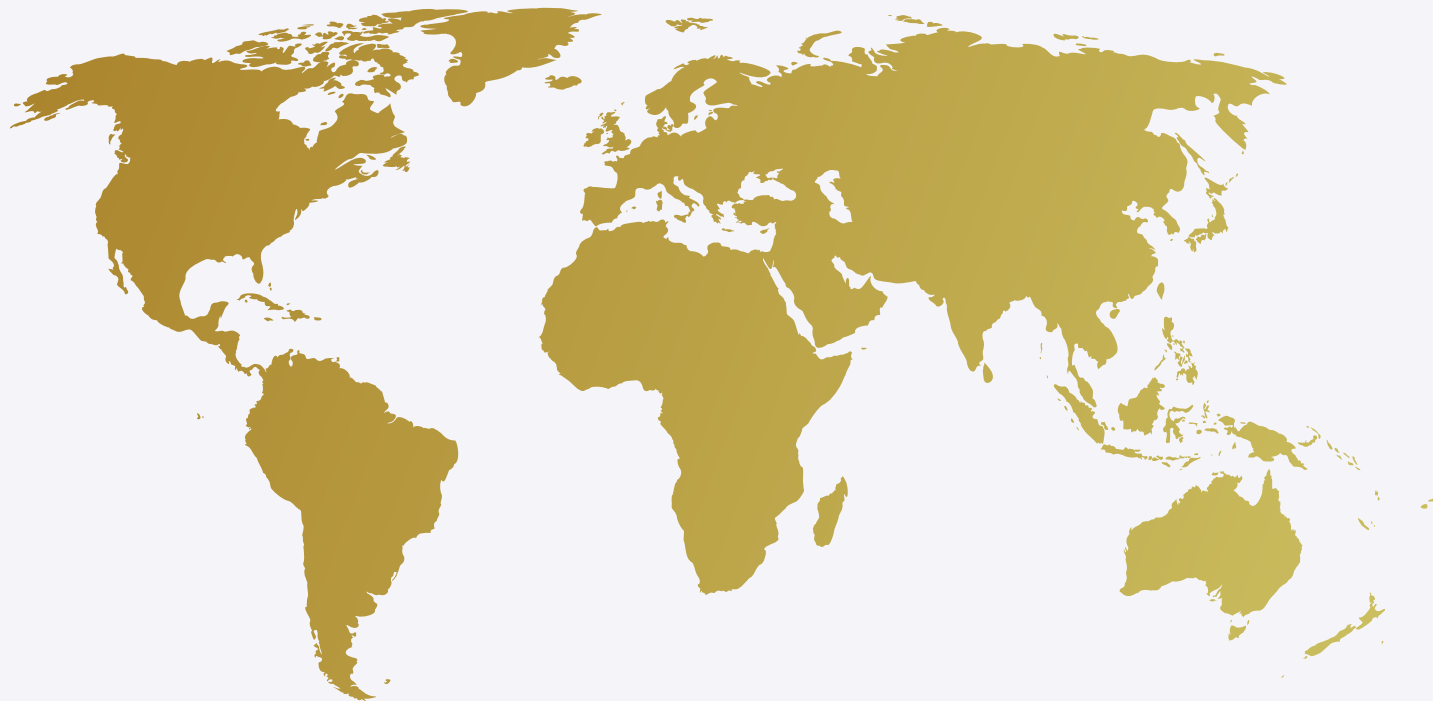

## COMMITMENT TO OUR CUSTOMERS

A commitment to excellence to customer satisfaction is the trademark of SLS Electronics . It is our goal to sustain a corporate culture based on integrity - one that is focused on treating our customers ethically and making their priorities, our priorities.

The background of our people, and the skills and dedication they bring to their work, defines our ongoing commitment to our customers
